

Strategic Plan for
Nafs Empowerment Society
2016-2019

Our values at Nafs Empowerment:

- **Respect and responsibility:** work respectfully with all citizens and those who we are dealing with, professional ethics and professional responsibility in the performance of duty.
- **Justice and equality for all:** No discrimination due to sex , race , religion or age and justice for all who we are dealing with .
- **Specialized assistance:** We are working to reach as much as possible of our people and provide psycho-social services and the necessary professional.
- **Carry out the professional liability:** active participation in the responsibility with all competent institutions to empower community members .
- * **Transparency and intelligent accountability:** We will generalize the value of transparency and intelligent accountability among Nafs workers and all community members.
- **Tolerance and others respect:** tolerance and acceptance of others regardless race,r religion or values in our work to reduce community violence.

Our Vision:

An Empowered Palestinian Society, enjoying psychosocial welfare, psychological health and social justice.

■ Our Mission:

Nafs institution is a Humanitarian Palestinian institution based in Ramallah, a pioneer institution contributes to create capable people to adapt to reality according to Human rights and humanitarian international and Palestinian resolutions.

■ Goals:

1. Help and rehabilitate the Palestinian society members through empowering psychologically and socially in order to achieve the psychosocial welfare.
2. Participate in decreasing the psychological problems for the marginalized groups (Women, Children, Youth and special needs) which resulted from poverty, unemployment, abuse and discrimination
3. Intervention for achieving psychosocial balance for the people suffering of wars, torture and disasters in the Palestinian community
4. Develop the abilities and facilities and the staff of Nafs with the best tools and methods and empower the staff of other related institutions.
